

Design speaker sets

DZ-3

DZ-5

DZ-9

These design speaker sets are particularly suitable for applications in conference centers, festival halls, multi-purpose halls, fair and exposition halls, etc. Excellent speech and music transmission is granted by a specially developed loudspeaker chassis and a dynamic horn tweeter.

Typ	DZ-3	DZ-5	DZ-9
load rating	40W / 100V	80W / 100V	120W / 100V
Impedance	250 Ω	125 Ω	83 Ω
Transformer matching	40 / 20 / 10	80 / 40 / 20	120 / 60 / 30
Sound pressure level (1W/1m)	90dB	93dB	95dB
max. Sound pressure level (1m)	106dB	112dB	116dB
Frequency range (-10dB)	60-18000 Hz	60-18000 Hz	60-18000 Hz
Dimensions (mm) (HxBxT)	440x144x210	720x144x210	690xx290x210
weight	13,0 kg	17,0 kg	24,0 kg
Color	silver / black	silver / black	silver / black
